**Re: Motion to Quash a Subpoena to the Johns Hopkins University  
Enzo Life Sciences, Inc. v. Affymetrix, Inc. *et al.*  
No. 04 civ. 01555 and related cases**

Dear Judge Sullivan:

I represent Johns Hopkins University ("JHU"), a third party in the above-referenced matter. On March 19, 2014, I filed a Motion to Quash a subpoena for deposition testimony, which I then requested to withdraw. You granted that request on March 19, 2014 and directed the Clerk of Court to terminate the motion. (Dkt. No. 130.) Although the motion has been terminated, I continue to receive ECF notices in this matter. I am, therefore, respectfully requesting to withdraw from the above-captioned matter (and any future ECF notices) as JHU has no further interest in it.

Respectfully submitted,

Jennifer DaCosta (JD2008)  
Assistant General Counsel  
Johns Hopkins University
